   = standard on Platinum Series    
   = option is not available

**INSTALLATION TIPS**

- Install product according to Owners Manual and local codes.
- All units with an Airbath III may be 1 1/2 - 2 1/2" higher than stated.
- Any whirlpool or Airbath® unit requires an access panel.
- Hot water supply should be 65-75% of tub capacity or greater. Always consult your local plumber for recommendations as installations will vary.
- For oval or specialty shapes, Americh recommends you wait until you have the actual unit or contact us for a template.
